Experience

Virtual Internship Trainee – Deloitte

June 2025 – July 2025

Deloitte (Remote)

Technology Used: Python, Replit, MS Word

- Completed a structured online internship program with Deloitte, gaining practical exposure to industry-relevant tools and business problem-solving. Developed skills in data analysis, critical thinking, and professional communication through real-world case studies and tasks.

Project Developer – Brahmaputra Real Estate Website

July 2025 – Aug 2025

Personal Project

Technology Used: React JS, Tailwind CSS

- Built a responsive property listing platform using React.js and Tailwind CSS with integrated Web3Forms for inquiries and subscriptions.

Projects

Brahmaputra – Real – Estate Website / *HTML, CSS, Tailwind CSS, JavaScript, React.js*

Aug 2025

- **Brahmaputra Real Estate** – A responsive property listing platform built with React.js and Tailwind CSS, ensuring a clean and modern design.
- Integrated **Web3Forms** for instant message sending and subscription handling, improving communication efficiency.
- Added smooth **scroll animations** and an interactive sliding gallery to create an engaging browsing experience.
- Focused on delivering an intuitive UI/UX, making property exploration simple and visually appealing.

Personal Portfolio Website / *HTML, CSS, JavaScript*

June – July 2025

- **Personal Portfolio Website** – Designed and developed using HTML, CSS, and JavaScript with a fully responsive layout.
- Incorporated smooth **hover effects** and engaging animations to enhance visual appeal.
- Integrated **Email JS** for direct message sending from the contact form, improving connectivity.
- Included dedicated sections for **Home, About, Education, and Contact**, showcasing personal and professional details effectively.

Certifications

- Full Stack Web Development with MERN Stack – Tutedude (Oct 2025): Covered MERN stack, React.js, Tailwind CSS, JavaScript libraries, and modern CSS practices.
- Hackathon Participant – Tutedude’s Web Development Hackathon (July 2025): Built a project using **MERN Stack** during a 48-hour innovation sprint.
- Virtual Internship Program – Deloitte (July 2025): Completed a structured online internship program with Deloitte, gaining practical exposure to industry-relevant tools and business problem-solving. Developed skills in data analysis, critical thinking, and professional communication through real-world case studies and tasks.

Education

Bachelor of Computer Applications (BCA)

Expected: 2027

Sibsagar Commerce College, Assam

CGPA: 8.73 / 10 (2nd Year)
